

Happy Holidayze

Cheyenne County Kansas Community Foundation joined a number of local businesses and individuals in sponsoring Happy Holidayze in St. Francis on December 10. Santa and Mrs. Claus cruised Main Street with a short entourage including Carolers and Elves delivering packages to all the children and a gift bag to every car parked on Main Street.

Due to the covid-19 pandemic, volunteers came up with a safe way to share Christmas joy. After the gifts were all given out, those who had decorated vehicles for Santa cruised Main for a while.
